

Brush Heads – The Next Generation

3. Change

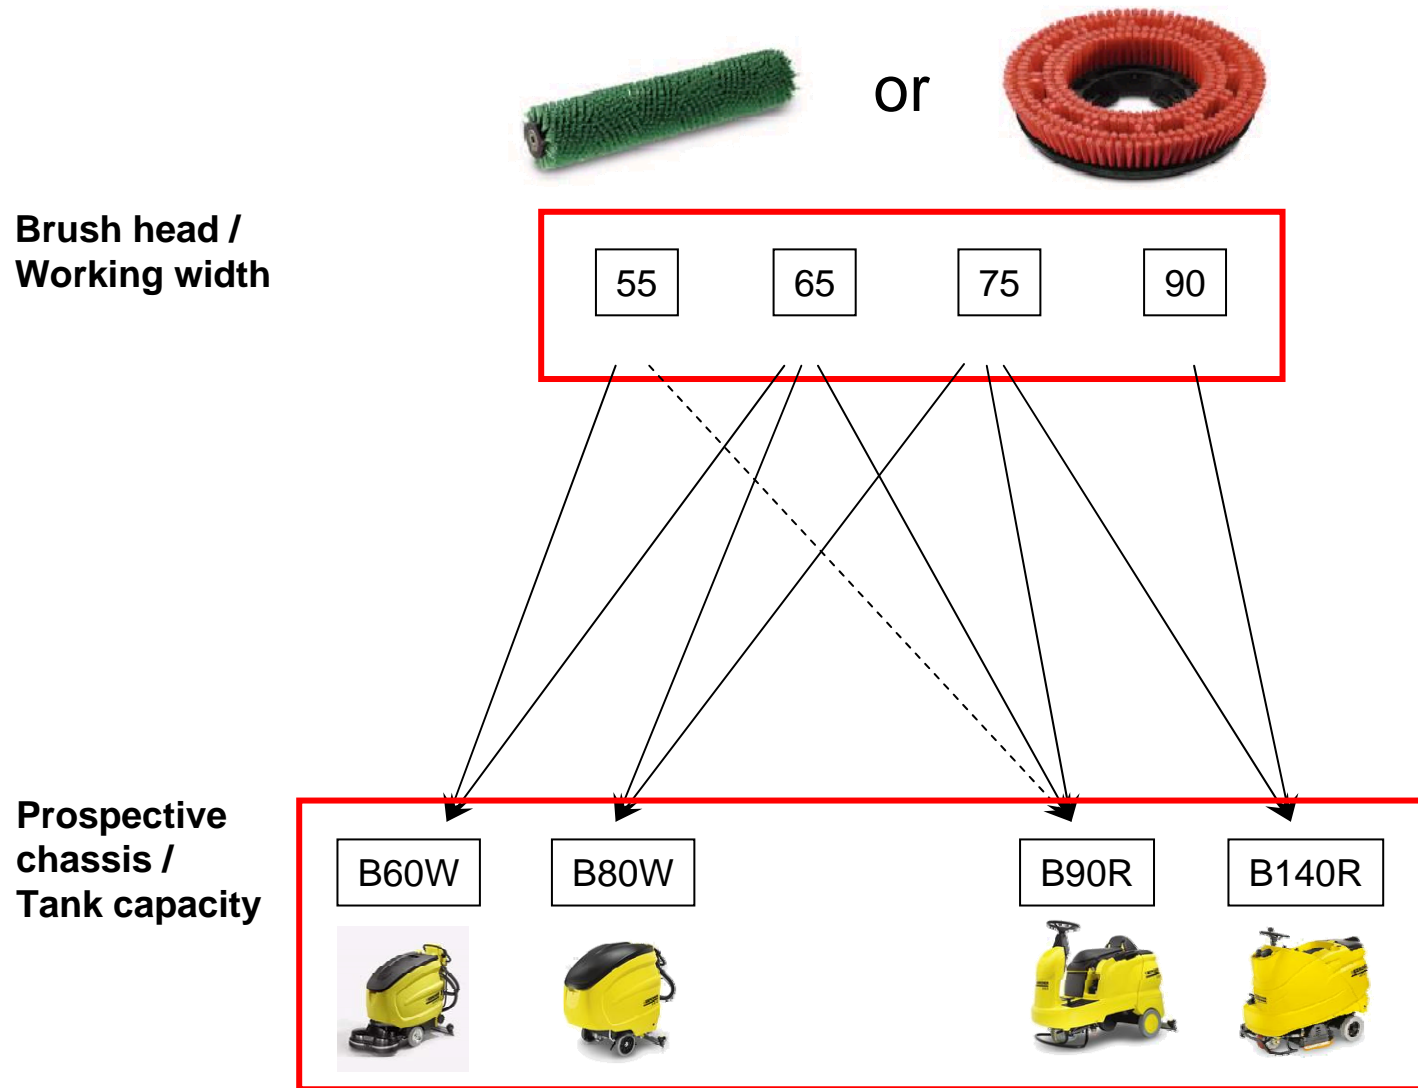

- New:**
- ⇒ Reduced complexity due to:
 - Few machine bodies
 - Few brush heads
 - ⇒ But same diversity of models

4. The Next Generation

Working width	Roller brushes	Disc brushes	
550 mm	 R 55	 D 55	
650 mm	 R 65	 D 65	
750 mm	 R 75	 D 75	
900 mm	 R 90	 D 90	

5. Possible Combinations

7. Advantages

Quick brush head change within a few minutes

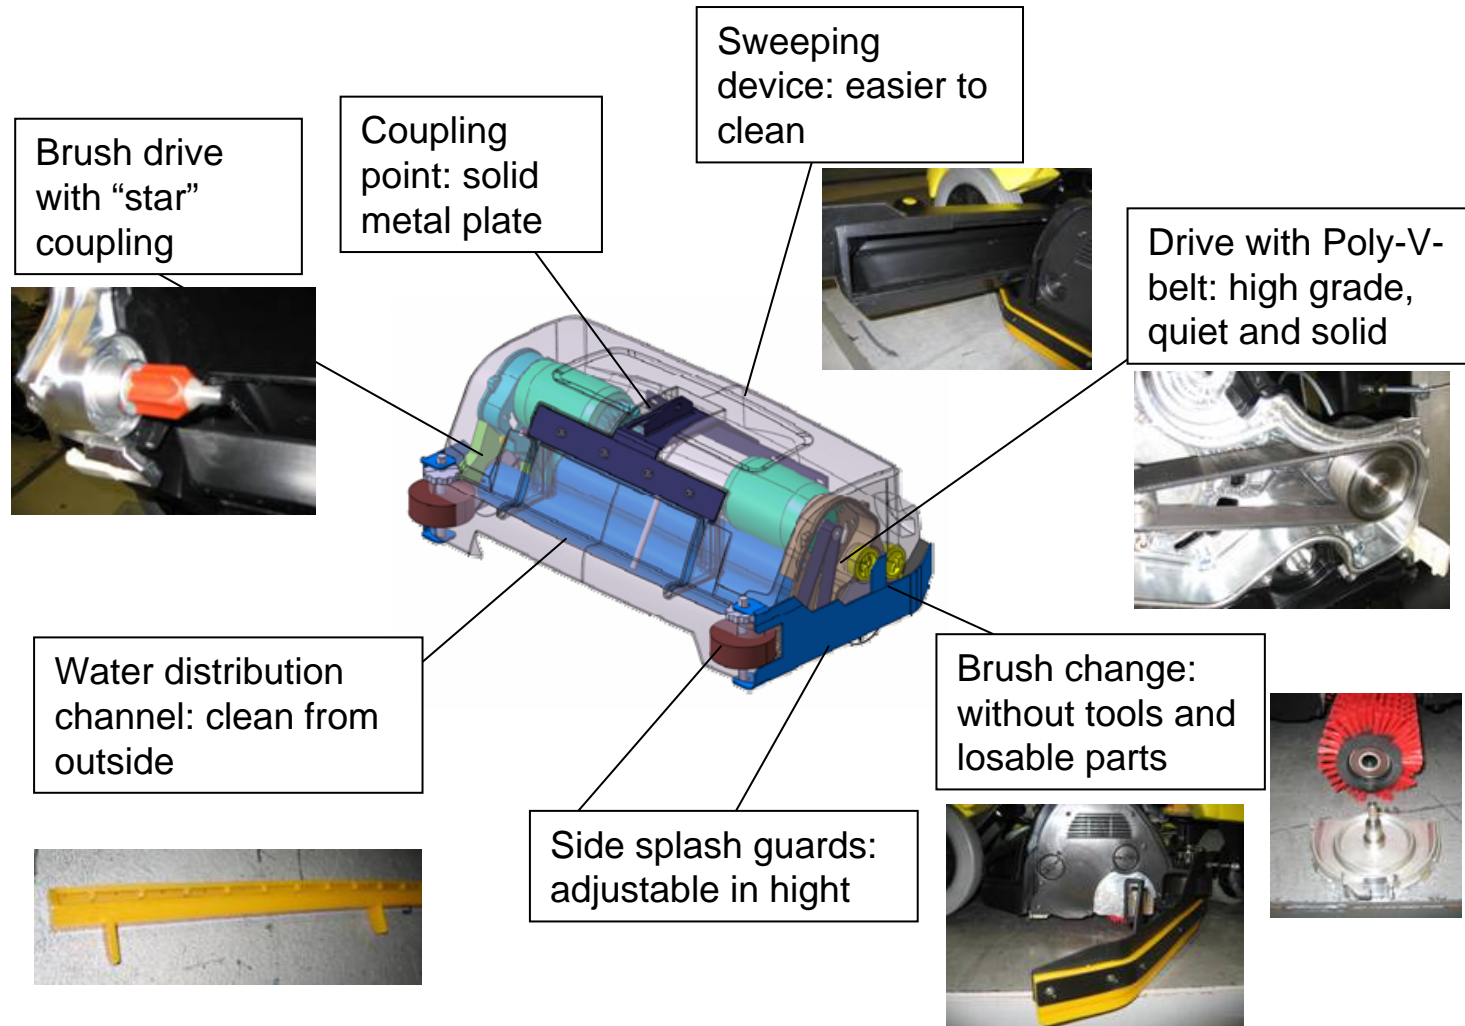

- without tools
- uncomplicated

Same brush head fits on walk-behind and ride-on machines

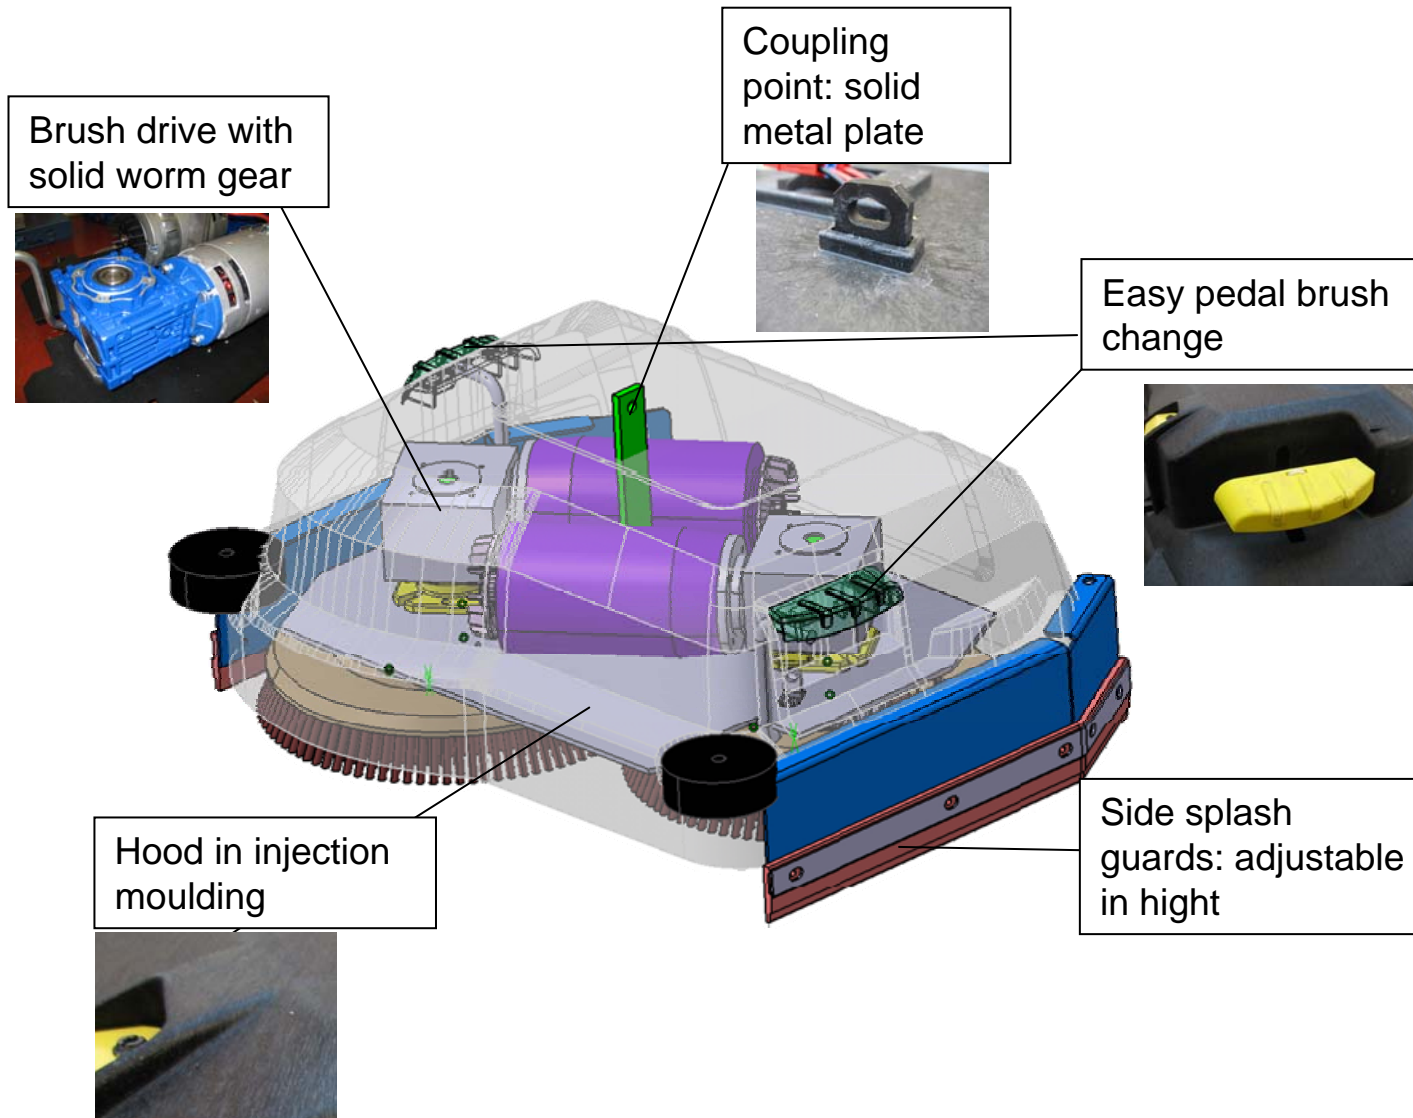

- standardized coupling points
- very high flexibility
